Investor-Developer Facilitation Partner

Each year at UKREiiF we host 10 facilitation sessions – similar to speed dating but for investors, developers and occupiers to meet local authorities and key regional players. This is your opportunity to be in the room leading these connections. The format will see local authorities have a seat/table (up to 15) around the side of the room for people to network with, with a bell ringing every 5-minutes to act as a prompt to move the conversation on. Drinks will be served with plenty of space for networking/conversation for those not in discussions around the tables of the room.

Benefits Include:

- Naming rights of the area where the facilitation activity takes place on the Tuesday and Wednesday of the event.
- 10 sessions run on a regional basis – London, North West, West of England, East of England etc.
- The UKREiiF team will manage the whole process in terms of securing the councils, developers, investors and occupiers to attend, usually 120+ per session.
- Branding options around the room including pop-up banners and marketing collateral.
- Your team will be in the room to welcome/greet, prepare the councils for each session, and where possible make introductions and facilitate connections.
